Instructions

Answer each question. Be rigorous with yourself. If the statement is sometimes or usually true, please do not check the YES box until the statement is virtually always true for you. If the statement does not apply to you, or will never be true for you then check the YES box. You get credit because it doesn't apply or won't ever happen. It is not necessary to ever select NO – just select Yes if it applies, and leave blank if not!

Print this form so that you will have a record of your responses, and a reminder of the areas of improvement.
